

# Julie

## The Osmonds

Julie, oh, my, Julie, what am I to do, yeah  
I'm losing you, I don't know what to do I feel you slipping away  
I'm losing my way with you  
Whoa, what could it be, you know it's just like me to say something wrong  
Was I away too long, what did I do

Whoa, Julie, Julie  
Julie what am I to do  
Julie, Julie  
Julie I'm in love with you

Ah, you know I need you  
Why because I love you  
Oh, I got to have you darling  
Don't take your love away, tell me you're gonna stay

Ah, I need you badly  
Why, I love you madly  
Oh, I got to have you darling  
Don't take your love away, tell me that you're gonna stay

I don't know when, don't think I've ever been so lost before  
Now you're closing the store on me  
Oh, how can I see why you're avoiding me if you don't let it out  
Tell me what it's all about, what did I do

Whoa, Julie, Julie  
Julie what am I to do  
Julie, Julie  
Julie, Julie, Julie, yeah, yeah, yeah, yeah  
Ain't it the truth, ain't it the truth, ain't it the truth

Ah, you know I need you  
Why, because I love you  
Oh, I got to have you darling  
Yeah, yeah, yeah, yeah

Ah, you know I need you  
Why, because I love you  
Oh, I got to have you darling

Yeah, yeah, yeah, yeah

Ah, you know I need you  
Why, because I love you  
Oh, I got to have you darling  
Yeah, yeah, yeah, yeah
