

# Back In the Sunshine Again

Paul McCartney

Here we are  
We're back in the sunshine again  
No more worries  
And no more pain Well we're leaving behind  
All our troubles and strife  
That's the way it's gonna be  
Oh for the rest of my life Well here we are, here we are  
We're back in the sunshine again  
No more worries, no more worries  
And no more pain, no more pain Life's too short to spend it lonely  
You only throw it away  
Listen to your voice of reason  
You call it a day Take a ride, take a ride  
Out to the land of the free  
Don't hurry take your time, take your time  
Come spend it with me Back in the sunshine  
We're back in the sunshine, yes Here we are  
We're back in the sunshine again  
No more worries, no more worries  
No more worries and no more pain Life's too short to spend it lonely  
You only throw it away  
Listen to your voice of reason  
You call it a day Here we are  
We're back in the sunshine again  
No more worries, no more worries  
And no more pain Here we are, here we are  
Yeah we're back in the sunshine again  
No more worries oh no  
And no more pain Why, why, we're back in the sunshine again  
No more worries or pain  
Yeah we're back in the sunshine again
