Dubi Dam Dam - Da Dubi Dibi Dam When I was lying in my bedroom

There was a scary sound behind the door

It was a sound of space and nowhere

I never heard before

Got out of bed and saw this green light

There was something going on

But then I saw an alien and he

began his song It goes

Dubi Dam Dam - Da Dubi Daba Dibi Dam

Dubi Dam Dam - Da Dubi Dibi Dam

Dubi Dam Dam - Da Dubi Daba Dibi Dam

Dubi Dam Dam - Da Dubi Dibi Dam He stood in front of his blue starship

I saw that he could fly just like a bird

He told me stories about his planet

Across the universe

With lots of fun we talked for hours

But later on he had to leave

Now he is gone but I can still hear

His little melody It goes

Dubi Dam Dam - Da Dubi Daba Dibi Dam

Dubi Dam Dam - Da Dubi Dibi Dam
