Enid

Barenaked Ladies

Enid we never really knew each other anyway
Enid we never really knew each other anyway
It took me a year to believe it was over
It took me two more to get over the loss
I took a beating when you wrote me those letters
And every time I remembered the taste of your lip gloss
Enid we never really knew each other anyway
Enid we never really knew each other anyway
Maybe we always saw right through each other anyway
But Enid we never really knew each other anyway
There were times when I wanted to hurt you
And there were times when I know that I did
There were times when I thought I would kill you
But can you blame me I was only a kid
Now tell me why we never respected each other
And tell me why I never believed that you were a person too
I always thought that you fancied my brother
I may not have liked it, oh but
Memory is a strange thing, oh, and Enid?
Enid I remember you
Enid we never really knew each other anyway
Enid we never really knew each other anyway
Maybe we always saw right through each other anyway
But Enid we never really knew each other anyway
It took me a year to believe it was over
And it took me two more to get over the loss
I took a beating when you wrote me those letters

And every time you told me to get lost
Now it's not fair to say that
It's 'cause I was three inches shorter then
And it's not fair to say that
It's 'cause I was only fifteen years old
But maybe it's fair to say there was a lack of communication
I took a phone message, oh and speaking of communication
Oh, and Enid
Enid you got a cold
I can get a job, I can pay the phone bills
I can cut the lawn, cut my hair, cut out my cholesterol

I can work overtime, I can work in a mine
I can do it all for you but I don't want to
Enid we never really knew each other anyway
(I can teach you how to dance, how to sing, how to knit)
(How to make things that you never ever made before)
Enid we never really knew each other anyway
(Enid, I can teach you how to use cookie cutters)
(To make crazy things out of Play Doh)
Maybe we always saw right through each other anyway
(Little houses, little farms, little accessories for your mom)
(For your Barbie set, for your friends and your family)
But Enid we really never knew each other anyway
(Enid I can teach you how to snowmobile cross-country ski snowshoe)
(But I don't want to)
Enid we never really knew each other anyway
Enid we never really knew each other anyway
Enid we never really knew each other anyway
