# Deep Silent Complete

## Nightwish

In your creation heaven did decree
That in your arms sweet death should dwell
Deep Silent Complete
Black velvet seaThe sirens are calling for me
Saved my soul thinking "This song's a lie"
Sand on the shore is so dry
Deep Silent CompleteBlack velvet sea
Brave day sinking in endless night
The age will say "This poet lies"
Heaven never touched earthly faceThe age will say "This night was ours"
Blessed with the Deep
The Silent the Complete
