

# Comes Love

## Alice Ricciardi

Comes a rain storm, put your rubbers on your feet  
Comes a snow storm, you can get a little heat  
    Comes love, nothing can be done  
Comes a fire, firemen come and rescue me  
    Blow a tire, you can patch the inner tube  
    Comes love, nothing can be done  
        Don't try hidin'  
        'Cause it isn't any use  
        You'll just start slidin'  
    When your heart turns on the juice  
Comes a heat wave, you can hurry to the store  
Come a summons, hide yourself behind a door  
    Comes love, nothing can be done  
    Comes a headache, you can lose it in a day  
Comes a toothache, see your dentist right away  
    Comes love, nothing can be done  
Comes the measles, you can quarantine the room  
Comes a mousie, you can chase it with a broom  
    Comes love, nothing can be done  
        That's all brother  
        If you've ever been in love  
        That's all brother  
        And you know just what I'm speakin' of  
Comes a nightmare, you can always stay awake  
    Comes depression, you could get another break  
Comes love, nothing can be done, nothing can be done
