

Full of Fire

Boz Scaggs

Boz Scaggs
A Fool to Care
Full of fire Oh, you're full of fire
And you're my one desire
You're all full of fire
Full of fire
Is about to make me cry, mmmhmmm
When you dance, to the music
And you shake it girl, all night long
When you jam with the band
It's all over Full of fire
Full of fire
Full of fire
I'm on your party line, yeaah
You're all full of fire
Full of fire
Full of fire
And I got wings to fly, girl You can dance with the party
With your special kind
Burning love
I can't wait to define this
Over Woah, oh, oh, oh... Oh, full of fire
Full of fire
Full of fire
I hit my 21 (21)
You're all full of fire
Full of fire
And life has just begun
You can dance to the music
Oh girl you make me, understand
I got a feeling that
Like a bolt of lightning
There's a hole in my head Oooh, you can boogie all night long
With the music Woah, oh, oh, oh... Oh, you're full of fire
Full of fire
Full of fire
I'm on your party line, girl
Mmm, you're full of fire
Full of fire

Enough to blow my mind, mmmhmm
When you dance, to the music
And you're jamming, and you're jamming, girl
When you jam with the band
It's all over
Full of fire
Full of fire
Full of fire
