Come Alive

Hanni El Khatib

I've been waitin'
Waitin' and wishin'
Wishin' and hopin'
Hopin' you'll come alive for me tonight, babe
Oh oh God, come aliveYou've been lyin'
Lyin' and cheatin'
Cheatin' and breakin'
Breakin' this trend until you know you're guilty
Guilty your whole gotten lifeBut I don't wanna talk about it
So, I'm just bein' bad
'Cause ain't no love like a love like this-
'Cause a love don't exist when a boy wanna play so,
Whoa whoa whoa.. whoa whoa whoa
Whoa whoa whoa.. Whoa whoa whoaaaa
Whooaaa whoa whoa, whoa whoa God, come onCarolina, come and get me
Alabama, Mississippi
I know you need to find some refuge with me
You can't just sleep walk
Kansas sweet talk,
New York Sunshine
Darlin' I know that you in my book
I'll take you, take you under some skies(?)But I don't wanna talk about it
So, I'm just bein' bad
'Cause ain't no love like a love like this-
'Cause a love don't exist when a boy wanna play so,
Whoa whoa whoa.. whoa whoa whoa
Whoa whoa whoa.. Whoa whoa whoaaaa
Whooaaa whoa whoa, whoa whoa God, come onBut I don't wanna talk about it
So, I'm just bein' bad
'Cause ain't no love like a love like this-
'Cause a love don't exist when a boy wanna play so
