

Too Old to Die Young

Moe Bandy

Verse 1

If life is like a candle bright
Death must be the wind
You can close your window tight
And it still comes blowing in
So I will climb the highest hill
and watch the rising sun
And I pray that I don't feel the chill
'Till I'm too old to die young

Chorus

Let me watch my children grow
To see what they become
Oh Lord don't let that cold wind blow
'Till I'm too old to die young

Verse 2

Now I have had some dear sweet friends
I thought would never die
Now the only thing that 's left of them
Is the tear drops in my eye
If I could have one wish today
And know it would be done
well I would say every one can stay
'Till they're too old to die young
