

# I Have Loved You Wrong

## The Swell Season

Forgive me, lover, for I have sinned  
For I have done you wrong.  
For I have hurt beyond repair,  
And when tears occurred no I didn't care.  
Forgive me, lover, for I have sinned  
For I have loved you wrong.

But this estranged organ in my chest  
Still beats for you  
It will not rest, so  
Meet me in our secret place  
When the time has come

And rest your head in my lap and I'll  
Beat you out of your own trap and I'll  
Show you how much you have missed truth in  
Time we were in right

Ah

Ah

So forgive me, lover, for I have sinned  
For I have let you go.

But you've been  
Every now and then on my mind,  
You're every now and then on my mind  
You're every now and then on my mind

You're on my mind,  
On my mind  
On my mind  
On my mind  
On my mind  
On my mind

On my mind  
On my mind

On my mind  
On my mind  
On my mind  
On my mind  
On my mind  
On my mind  
On my mind  
On my mind
