

# When I'm with You

Helen Shapiro

Whoa whoa whoa  
Yeah yeah yeah  
Whoa yeah Well there's a whole lot of things that I'm mad about  
And that I love to indulge in when I go out  
Going to the movies, or a coffee bar  
Listening on the jukebox to a record star  
Well there's a whole lot of things that appeal to me  
I like watching the western shows on tv  
I love to go dancing, but everything I do  
Is much more entertaining when I'm with you I like to swim in the sea  
And then to laze in the sun  
When I'm in your company  
It's so much better fun I like the late night music on the radio  
And when a friend throws a party I just have to go  
But I can enjoy anything at all  
Anything at all when I'm with you I like to swim in the sea  
And then to laze in the sun  
When I'm in your company  
It's so much better fun I like the late night music on the radio  
And when a friend throws a party I just have to go  
But I can enjoy anything I do  
Anything at all when I'm with you Whoa whoa whoa  
Yeah yeah yeah  
Whoa yeah
