

Electricity

Eddie 'Flashin' Fowlkes

I'm an artist honey you'll see me sometimes
Making crazy pictures out of music and rhymes
 Costume changes performed with poise
 Dancing in formation with a couple of boys
I take them on the road with my reel-to-reels
I'm an artist honey you know how that feels?
 It's the greatest show with the best effects
 Since Disco-Tex and the Sexelettes
 It's the greatest show with the best effects
 Since Disco-Tex and the Sexelettes
 It's all about wonder the power to be
 Like thunder expressing electricity
 It's the greatest show with the best effects
 Since Disco-Tex and the Sexelettes
 Disco-Tex and the Sexelettes
 Call it performance, call it art
 I call it disaster if the tapes don't start
 I've put all my life into live lip-sync
I'm an artist honey you gonna get me a drink?
 It's the greatest show with the best effects
 Since Disco-Tex and the Sexelettes
 It's all about wonder the power to be
 Like thunder expressing electricity
 It's the greatest show with the best effects
 Since Disco-Tex and the Sexelettes
 Disco-Tex and the Sexelettes
