Why I'm Home

GORADIO

And I could paint you pictures all night long
And tell you tales how every song
Is to let you know that you're the reason why I'm home
Or I could quote a page of poetry
To show you what you mean to me
And we'd go falling somewhere faster
Knowing we don't want to ever fall at all, oh
I just don't think that this will be easy
Saying that you love me
When lying tongues are clumsy
And don't speak when one more word would kill me
Saying that you love me
When lying tongues are clumsy
But who am I to say that every breath we take
Won't be another pointless kiss we gave away
When what we love we burn

It's from the ashes that we yearn
To be the phoenix that rises up from the flames
Oh, I don't think that this will be easy
Saying that you love me
When lying tongues are clumsy
Oh, I don't think that this will be easy
Saying that you love me
When lying tongues are clumsy
And don't speak when one more word would kill me
Saying that you love me
When lying tongues are clumsy
And I could paint you pictures all night long
And tell you tales how every song
Is to let you know that you're the reason why I'm home
