I Wanna Fuck

Screeching Weasel

i wanna sweat, i wanna scream, i wanna make you my wet dream come true. i wanna take you on. a little lip, a little teeth and maybe just a little bit of bleed. i want blood- i'm a fucking animal right now. i wanna fuck. i wanna grab, i wanna grope, i wanna fuckin' overdose on pussy. i want more than just a taste. i wanna hear all of those sounds. i want your tits and ass and i want your mouth all over me now. i wanna fuck.
