

# Fuck Feelings

Olivia O'Brien

I don't wanna fall for you now  
But it already happened, don't know how  
Now I gotta ghost on you  
'Cause I can't keep too close to you  
And I'm not trying to fall for you now  
I know we've been left us all alone  
I've been losing all my self control  
Now I gotta runaway, before I say what you won't say  
'Cause I can't handle you and me alone I can't just let go, no, it's not like that  
I know if I see you, oh, I'm right back Fuck feelings, swear that shit ruined my life  
All they ever do is waste my time  
Fuck feelings, swear that shit ruined my life  
No, they never do me right  
Fuck feelings, how I do when I'm feeling it for you  
Fuck feelings, fuck feelings, fuck feelings, fuck what I'm feeling  
I can't help myself when you're around  
Baby, I'm just tryna figure you out  
I don't wanna watch you turn me down  
So I'm just gonna turn back and go now (go now) I can't just let go, no, it's not like that  
I know if I see you, oh, I'm right back  
No matter what we do, I know we won't last  
I hate this but I gotta turn you out fast Fuck feelings, swear that shit ruined my life  
All they ever do is waste my time  
Fuck feelings, swear that shit ruined my life  
No, they never do me right  
Fuck feelings, how I do when I'm feeling it for you  
Fuck feelings, fuck feelings, fuck feelings, fuck what I'm feeling Feeling how I do when I'm feeling it for you  
(fuck feelings)  
Feeling how I do when I'm feeling it for you (fuck feelings)  
Feeling how I do when I'm feeling it for you (fuck)  
Feeling how I do (fuck), feeling how I do  
Feeling how I do when I'm feeling it for you  
Feeling how I do when I'm feeling it for you  
Feeling how I do when I'm feeling it for you (fuck)  
Feeling how I do (fuck), feeling how I do
