Sleep from My Eyes

Mark Eitzel

You lay me down
On my bed
You lay your hands
On my headSo I was safe
So I was warm
My home is when
I'm in your armsI sleep all day
Like wind in the skies
Nothing takes
The sleep from my eyesYou kept watch
When I could not
When I started to move like
The hands of the clockOn gentle words
All hope relies
But nothing takes
The sleep from my eyesYou make me forget
My million goodbyes
But nothing takes
The sleep from my eyesBlessings work
Cause they have to
Otherwise my love
What what what what
Would we do
