

Our God

Maranatha! Instrumental

Water, You turned into wine
Opened the eyes of the blind
There's no one like You
 None like You
Into the darkness, You shine
 Out of the ashes we rise
There's no one like You
 None like You
 Our God is greater
 Our God is stronger
God, You are higher than any other
 Our God is healer
 Awesome in power
 Our God, our God
Into the darkness, You shine
 Out of the ashes, we rise
There's no one like You
 None like You
 Our God is greater
 Our God is stronger
God, You are higher than any other
 Our God is healer
 Awesome in power
 Our God, our God
 Our God is greater
 Our God is stronger
God, You are higher than any other
 Our God is healer
 Awesome in power
 Our God, our God
 And if our God is for us
Then who could ever stop us
 And if our God is with us
Then what could stand against
 And if our God is for us
Then who could ever stop us
 And if our God is with us
Then what could stand against
Then what could stand against

Our God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
Our God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
What could stand against
What could stand against
