

# What a Love

[Denaë Joy](#)

What a love that bore the pain with stripes upon his back.  
What a love that gave and gave and gave until there was nothing left  
What a love that laid down his life just to set our spirits free.  
What a love, What a love Jesus had for me  
What a love that took my sins away, What a love that payed a price i could never pay  
What a love, that died upon calvary, s tree, What a love Jesus had for me  
Oh, my friend when u feel like your life comes to an end  
God still has the power to cover your old sins  
he will take away your old life and give you a new one  
Don, t forget, Please don, t forget the love of Jesues Christ  
What a love that took my sin away  
What a love that payed a price i could never pay, What a love that died upon calvary, s tree,  
What a love Jesus had for me, What a love, What a love, What a love, What a love, What a love, What a love, What  
a love, Jesues had for me
