Loving You

Clazzi

1, 2, 3, 4
I hear the people talk
Whistlin' when you walk
Your kind is all hard to find
Darling I'm glad you're mine
Just wanna let you know that
I'll never let you go
I'm cool as I can be
Knowing you belong to me
Loving you in the morning
Loving you in the evening
Loving you
You are all there is and then some
You call me on the phone
You say Nikka what's going on?
I jump off in my ride quick
'Cause I want you by my side
Now I can hardly wait
Till I get to your gate
Nothing can brake our date
'Cause baby you take the cake
And I'm loving you in the morning
Loving you in the evening
Loving you
You are all there is and then some
You are all there is and then some
You are all there is and then some
I never leave you alone
You gave me the jones
I'm hooked just on your hug
A junkie now for your love
Now I can hardly wait
Till I get to your gate
Nothing can brake our date
'Cause baby you take the cake
And I'm loving you in the morning
Loving you in the evening
Loving you
Loving you

I'm loving you, loving you
Loving you, loving you, loving you
Loving you, loving you, loving you
