Transistor Sister
(Slay-Crewe)
She's my transistor sister
With a radio on her arm
No one can resist her
Cause she's loaded with
A musical charmIt's Presley, Darin, and U. S. Bonds
And it's Fats and Connie and Orbison
She's my transistor sister
Playing her radioYeah, now early in
The morning til late at night
She's in tune with the local D. J. S
Sings all the words to the latest hits
Right along with the records they playWhoa, oh, transistor sister
Transistor sister
Transistor sister
Playing her radio, whoa, ohShe's my transistor sister
Boy, you've got to love her a lot
The guys just can't resist her
With a fifteen thousand wattIf you got it right you get no static
The time and weather is automatic
My transistor sister, playing her radioYeah, now early in
The morning til late at night
She's in tune with the local D. J. S
Sings all the words to the latest hits
Right along with the records they playWhoa, oh, transistor sister
Transistor sister
Transistor sister
Playing her radioWhoa, transistor sister
Playing her radio, whoa, oh
Transistor sister
Playing her radio...
