

This Is The Day

Fred Hammond

Just clap your hands like this
Just clap your hands like this Yeah, let's wake up the church with this old school jam
Shout to the Lord in here
You know that He's good and His mercy endureth forever
And the people of God said, they said what And the people of God said, yeah
And the people of God said, yeah
And the people of God said, yeah
And the people of God said, yeah Now we serve notice to depression, confusion
All manner of evil and every sickness
You came in to bind but you cannot stay
'Cuz the people of God we ain't havin' it It's a good day, even though I cried last Tuesday
And I was out of cash by Friday
No matter what comes next, I'm gonna stand up
And give him the praise 'cuz this is the day This is the day, this is the day
That the Lord has made, that the Lord has made
I will rejoice, I will rejoice
And be glad in it, glad in it This is the day that the Lord has made
I will rejoice and be glad in it
This is the day, this is the day
That the Lord has made This is the day, this is the day
That the Lord has made, that the Lord has made
I will rejoice, I will rejoice
And be glad in it, glad in it This is the day that the Lord has made
I will rejoice and be glad in it
This is the day, this is the day
That the Lord has made This is the day that the Lord has made
I will rejoice and be glad in it
This is the day, this is the day
That the Lord has made That the Lord has made
That the Lord has made
That the Lord has made As I look back over all the years that I made it through
I can't imagine where I'd be now if it wasn't for you
Why your favor rests upon me I could never explain
Why your favor rests upon me I could never explain
But I'm so glad that I can say, I will rejoice And the people of God said, yeah
And the people of God said, yeah
And the people of God said, yeah
And the people of God said, yeah Lift your voice in this place and bless Him
