Taking Too Long

Charlee Drew

Don't get carried away with me
Coz I don't care if you want me baby
Girl don't get me wrong coz u got it goin on
But your takin too long
I'm a 100% no I'm not a zero
Even beyonce knowles aint got such a big ego
But u aint feelin me so
Let me switch off the mic
Coz I keep tweetin but u aint tweetin me back
And I don't wanna act totally crazy so asta la vista baby
How can I be big like benny
Ur tryin to make me feel small like temp
I musta been a fool back then
But u no what I don't wanna be your friend
Let alone your partner
I just hope that u don't believe in karma
Coz it'll all come back ten times harder
Don't get carried away with me
Coz I don't care if you want me baby
Girl don't get me wrong coz u got it goin on
But your takin too long
Ur takin too long
Don't get carried away with me
Coz I don't care if you want me baby
Girl don't get me wrong coz u got it goin on
But your takin too long
Ur takin too long
I made one call sent one text
No reply no stress
My phone asks me if I'm sure I wanna delete the number?
Yes
No further questions
I don't wanna read her statement
Its blatent
my name aint adele so why am I chasin pavements?
Took me forgranted
Fort I was talkin the hardest

She's like an internet gangster

She don't wanna show love to the artist
I just hope that u don't believe in karma
Coz it will come back ten times harder
Trust me
Well don't youuuuu
Forget about me
And you'll see I can be all you need
Oh I'm through
I'm through with chasin you
Yes its over
Yes its overrrr
Don't get carried away with me
Coz I don't care if you want me baby
Girl don't get me wrong coz u got it goin on
But your takin too long
Ur takin too long
Don't get carried away with me
Coz I don't care if you want me baby
Girl don't get me wrong coz u got it goin on
But your takin too long
Ur takin too long
Everywhere you go you'll see my name
You've only got yourself to blame
Wanna holla round me coz I'm tv
Covered in lv u should be ashamed yeh
Don't get carried away with me
Coz I don't care if you want me baby
Girl don't get me wrong coz u got it goin on
But your takin too long
Ur takin too long
Don't get carried away with me
Coz I don't care if you want me baby
Girl don't get me wrong coz u got it goin on
But your takin too long
Ur takin too long
