Inside

Inside

Inside

Inside Last night when I saw you  
With somebody new  
You asked, how I've been  
And I, I told you I was fine  
And as you held each other close  
I smiled and said, "It's good to see you"  
And you didn't know Inside  
I'm cryin' baby  
Inside  
I'm dyin', baby  
I don't wanna let you see  
Baby, what you've done to me  
So I keep it all  
Inside  
Inside Sometimes when you call me  
I don't know what to say  
You say I've been on your mind  
And we'll talk again sometime  
You say you're glad we can be friends  
I say I'm over all the heartache  
But it's all pretend Inside  
I'm cryin' baby  
Inside  
I'm dyin' baby  
I don't wanna let you see  
Baby what you've done to me  
So I keep it all  
Inside Outside I'm smilin' baby  
Outside these tears  
Just can't be found  
But I'm just breaking down Inside  
Don't you know that I am dyin' baby  
Dyin' baby  
I don't wanna let you see  
Baby what you've done to me  
So I'll keep it all Inside

Yeah, I'm cryin' baby  
Inside  
I'm dyin' baby  
I don't wanna let you see  
Baby what you've done to me?  
So I'll keep it all  
Inside  
I'll just keep it all  
Inside  
Inside  
Inside
