

# Too Experienced

Jackie Edwards

[verse one (ms dynamite):]He doesn't want me around,  
He's got something to hide.  
I think he wants a clown,  
Someone to take for a ride.  
What I keep tellin' him..

[chorus:]I'm too experiences to be taken for a stroll,  
Too experienced for someone to rock 'n' roll.  
I'm too experienced to be taken for a ride,  
And I know it's not my foolish pride.

[verse two (ms. dynamite):]He hates the sight of me,

Because I turned his offer down.  
He's always sayin' we were meant to be,  
Somehow he thought I'd be his clown.

But this is what I say.

[verse three (barrington levy):]She doesn't want you around,  
Because you have too much to hide.  
I think you are a clown,  
Not fit to be a bonafide.  
But I'm tellin' you,  
She's too experienced to be taken for a stroll,  
Too experienced for someone to rock 'n' roll.  
Too experienced to be taken for a ride,  
That's why her name is dynamite.
