Don't Let the Stars Get in Your Eyes

Ray Price

Don't let the stars get in your eyes
Don't let the moon break your heart
Love blooms at night, in daylight it dies
Don't let the stars get in your eyes
So keep your heart for me for someday
I'll return and you'll know, you're the only one I'll ever loveToo many nights, too many stars
Too many moons can change your mind
If I'm gone too long, don't forget where you belong
When the stars come out, remember you are mine
Don't let the stars get in your eyesToo many miles, too many days
Too many nights to be alone
So please keep your heart while we are apart
Don't stand in the moonlight while I'm gone
Don't let the stars get in your eyes
