

# So Far Away

## Bamboo

So far away  
Doesn't anybody stay in one place anymore  
It would be so fine to see your face at my door  
Doesn't help to know that you're just time away  
Long ago I reached for you and there you stood  
Holding you again could only do me good  
How I wish I could but you're so far away  
One more song about movin' along the highway  
Can't say much of anything that's new  
If I could only work this life out my way  
I'd rather spend it bein' close to you  
But you're so far away  
You're so far away  
Travelin' around sure gets me down and lonely  
Nothin' else to do but close my mind  
I sure hope the road don't come to own me  
But there's so many dreams I've yet to find  
But you're so far away  
Doesn't anybody stay in one place anymore  
It would be so fine to see your face at my door  
And it doesn't help to know, it doesn't help to know  
It doesn't help to know  
You're so far away
