

# Not What It Seems

## Something Corporate

A long day  
If ever these questions were yours what would you say  
You don't know  
But I'm writing the answers on cheap paper napkins  
And now he's turning off  
And now she's shutting down  
And it's not what it seems  
Nothings the same when you give it away  
No it's not what it seems  
It's just what you think it is  
And these fights  
They climb through my veins like it's mercury rising  
And these nights  
I seem to remember a home that was better  
And now he's turning off  
And now she's shutting down  
And it's not what it seems  
Nothings the same when you give it away  
No it's not what it seems  
It's just what you think it is  
And now he's turning off  
His family's breaking down  
And it's not what it seems  
Nothings the same when you give it away  
No it's not what it seems  
It's just what you think it is it's just what you think it is  
No it's not what it seems  
Nothings the same when you give it away  
No it's not what it seems  
It's just what you think it is just what you think it is  
It's just what you think it is  
What you think it is
