You're The Reason

Victorious

i dont want to make a scene
i dont want to let you down
try to do my own thing
and im starting to figure it out
that its alright
keep it together wherever we go
and its alright, oh well, whatever
everybody needs to know[chorus:]
you might be crazy
have i told you lately that i love you?
youre the only reason that im not afraid to fly
and its crazy that someone could change me
now no matter what it is i have to do, im not afraid to try
and you need to know that youre the reason whyi dont even care when they say
youre a little bit off
look me in the eye, i say
i could never get enough
cause its alright
keep it together wherever we go
and its alright, oh well, whatever
everybody needs to know[chorus]
you might be crazy
have i told you lately that i love you?
youre the only reason that im not afraid to fly
and its crazy that someone could change me
now no matter what it is i have to do, im not afraid to try
and you need to know that youre the reason whyif it was raining, you would yell at the sun
pick up the pieces when the damage is done
you say its just another day in the shade
but look at what a mess we madeyou might be crazy
have i told you lately that i love you?
youre the only reason that im not afraid to fly
and its crazy that someone could change me
now no matter what it is i have to do, im not afraid to tryyou might be crazy
have i told you lately that i love you?
youre the only reason that im not afraid to fly
and its crazy that someone could change me
now no matter what it is i have to do, im not afraid to try
and you need to know that youre the reason why
