

# You're The Reason

## Victorious

i dont want to make a scene  
i dont want to let you down  
try to do my own thing  
and im starting to figure it out  
that its alright  
keep it together wherever we go  
and its alright, oh well, whatever  
everybody needs to know[chorus:]  
you might be crazy  
have i told you lately that i love you?  
youre the only reason that im not afraid to fly  
and its crazy that someone could change me  
now no matter what it is i have to do, im not afraid to try  
and you need to know that youre the reason whyi dont even care when they say  
youre a little bit off  
look me in the eye, i say  
i could never get enough  
cause its alright  
keep it together wherever we go  
and its alright, oh well, whatever  
everybody needs to know[chorus]  
you might be crazy  
have i told you lately that i love you?  
youre the only reason that im not afraid to fly  
and its crazy that someone could change me  
now no matter what it is i have to do, im not afraid to try  
and you need to know that youre the reason whyif it was raining, you would yell at the sun  
pick up the pieces when the damage is done  
you say its just another day in the shade  
but look at what a mess we madeyou might be crazy  
have i told you lately that i love you?  
youre the only reason that im not afraid to fly  
and its crazy that someone could change me  
now no matter what it is i have to do, im not afraid to tryyou might be crazy  
have i told you lately that i love you?  
youre the only reason that im not afraid to fly  
and its crazy that someone could change me  
now no matter what it is i have to do, im not afraid to try  
and you need to know that youre the reason why
