Nobody Knows You

Steep Canyon Rangers

Nobody forgot when you went away
And left this town without a word to sayGoing down south to a simple life
You were always the wind and never a wifeDo you ever wonder what you left behind
I never got to tell you what was on my mindNobody knows you quite the way I do
No one can love you the way that I can
It's been so long and I'm thinking of you
Just say the word and I'll be your man
I told my pride I'd never take you back
But I've seen enough to know better than that
As long as I live, as long as I live
The least I can do, is learn to forgive
