

# All Creatures Of Our God And King

## David Crowder Band

All creatures of our God and King  
Lift up your voice and with us sing O praise Him, Alleluia Thou burning sun with golden beam  
Thou silver moon with softer gleam O praise Him, O praise Him  
Alleluia, Alleluia, Alleluia Thou rushing wind that art so strong  
Ye clouds that sail in Heaven along O praise Him, Alleluia Thou rising moon in praise rejoice  
Ye lights of evening find a voice O praise Him, O praise Him  
Alleluia, Alleluia, Alleluia Let all things their Creator bless  
And worship Him in humbleness O praise Him, Alleluia Praise, praise the Father, praise the Son  
And praise the Spirit, three in one O praise Him, O praise Him  
Alleluia, Alleluia, Alleluia Praise, praise the Father, praise the Son  
And praise the Spirit, three in one O praise Him, O praise Him  
Alleluia, Alleluia, Alleluia
