

Another Public Service Announcement

D12

Ok...this is ANOTHER public service announcement

Brought to you in part (punch, yell)

Shut up punk!

Yo ? good good hell yeah

Look, I'm speaking on behalf of D-12

And if you get offended by words like bitch, hoe, sissy, bangin, Homo, lesbian, fudge, fucker, clit, ear

All that shit like that

Then you should turn this shit off right now

Coz thats just some of the shit-no thats the only shit that you're gonna

Hear right here on this album.

It's not that they don't have creativity or some shit like that

That ain't the case

We just like sayin' stuff like that just to fuck wit' ya

Hey! I told you to hold him down, now he's runnin'!

Oh...fuck it (gun shot).

God damn it if you'd just stayed still none of this would have happen to ya!

It just goes to show when you fuck around with us, shit can happen.
