

# The Edge

Holly Drummond

you look at me  
and i forget to breathe  
time stands still  
as you walk closer to me  
your whispered words are all i hear  
all the other voices disappear now we're on the edge  
of something new  
do i turn back  
or turn to you? don't stop me now  
i'm breaking free  
from all the fears  
pulling me into misery  
i'm ready now  
to take the leap  
loving you  
is a promise i intend to keep i built these walls  
so no one could get in  
when they get close  
i build them higher again  
but you make my mind feel clear  
and all of my doubts disappear
