

I Will Be

Kadice

There's nothing I could say to you
Nothing I could ever do to make you see
 What you mean to me
 All the pain, the tears I cried
 Still you never said goodbye
And now I know how far you'd go
 I know I let you down
 But it's not like that now
 This time I'll never let you go
 I will be all that you want
 And get myself together
'Cause you keep me from falling apart
 All my life, I'll be with you forever
 To get you through the day
 And make everything okay
 I thought that I had everything
I didn't know what life could bring
 But now I see, honestly
 You're the one thing I got right
 The only one I let inside
Now I can breathe 'cause you're here with me
 And if I let you down
 I'll turn it all around
 'Cause I will never let you go
 I will be all that you want
 And get myself together
'Cause you keep me from falling apart
 All my life, I'll be with you forever
 To get you through the day
 And make everything okay
 'Cause without you I can't sleep
I'm not gonna ever ever let you leave
 You're all I've got, you're all I want
Yeah and without you, I don't know what I'd do
 I could never ever live a day without you
 Here with me, do you see, you're all I need?
 And I will be all that you want
 And get myself together
'Cause you keep me from falling apart

All my life
(My life)
I'll be with you forever
(Forever)
To get you through the day
And make everything okay
(Okay)
I will be all that you want
(I'll be)
And get myself together
(Get myself together)
'Cause you keep me from falling apart
And all my life, you know I'll be with you forever
To get you through the day and make everything okay
