

Secrets

Collabro

I need another story
Something to get off my chest
Life gets kind of boring
Need something that I can confess
Till all my sleeps are stained red
From all the truth that I've said
Come by it honestly I swear
Thought you saw me week no I've been on the brink
So tell me what you want to hear
Something that will light those ears
Sick of all the insincere
I'm gonna give all my secrets away
This time don't need another perfect line
Don't care if critics ever jump in line
I'm gonna give all my secrets away
My God, amazing how we got this far
It's like we're chasing all those stars
That's driving shiny big black cars
So tell me what you want to hear
Something that will light those ears
Sick of all the insincere
I'm gonna give all my secrets away
This time don't need another perfect line
Don't care if critics ever jump in line
I'm gonna give all my secrets away
Got no reason got no shame
Got no family I can blame
Just don't let me disappear
So tell me what you want to hear
Something that will light those ears
Sick of all the insincere
I'm gonna give all my secrets away
This time don't need another perfect line
Don't care if critics ever jump in line
I'm gonna give all my secrets away
