

Little By Little

The Rolling Stones

Tried to trail you last night, baby, trail you in my car
But I was afraid of what I was looking for
And little by little I'm losin' my love for you
Yeah, little by little I've found out you was untrue

Alright, Keith, come on, now
Well I try not to bear a grudge, a girl's gonna hitch a ride
Things ain't been the same since my mother died
Yeah, little by little, I'm losin' my love for you
Yeah, little by little I've found out you was untrue
