Modern Romance

Sasha Dobson

Don't hold on
Go get strong
Well, don't you know
There is no modern romanceTime, time is gone
It stops stops who it wants
Well I was wrong
It never lasts
There is no, this is no modern romanceIn time, time is gone
Never lasts, stops who he was
Well I was wrong
Never lastsThis is no, there is no modern romance
There is no modern romance
This is no modern romance
There is no, there is noBaby I'm afraid of a lot of things
But I aint scared of lovin' you
Baby I know you're afraid of a lot of things
But don't be scared of love'Cause people will say all kinds of things
That don't mean a damn to me
'Cause all I see is what's in front of me
And that's youWell, I've been dragged all over the place
I've taken hits time just don't erase
And baby I can see you've been fucked with too
But that don't mean your lovin' days are through'Cause people will say all kinds of things
That don't mean a damn to me
'Cause all I see is what's in front of me
And that's youWell I may be just a fool
But I know you're just as cool
And cool kids
They belong together
