You let me violate you
You let me desecrate you
You let me penetrate you
You let me complicate youHelp me, I broke apart my insides
Help me, I've got no soul to sell
Help me, the only thing that works for me
Help me get away from whatI want to fuck you like an animal
I want to feel you from the inside
I want to fuck you like an animal
My whole existence is flawed, you get me closer to GodYou can have my isolation
You can have the hate that it brings
You can have my absence of faith
You can have my everythingI want to fuck you like an animal
I want to feel you from the inside
I want to fuck you like an animal
You get me closer to God, God
