

Euphoria, Take My Hand

Glasvegas

Heartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
Euphoria
Your ways, my ways
Never, always
The future, the past
The first, the last
Heartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
Euphoria
Right time, wrong line
Myself, I'm alien
I swear to god, lies and bad thoughts
1, 2, 3, 4, let go
Heartbreak
I'm not holding your hand anymore
Why can't you understand?
Euphoria, take my hand
Euphoria
A wish upon a falling star
A fear never far
I hurt, you hurt me
Sunshine, moonlight
Kind heart, evil leave me
Heartbreak
I'm not holding your hand anymore
Heartbreak
I'm not holding your hand, let me go
Why can't you understand?
Why can't you understand?
Why can't you understand?
Euphoria, take my hand
Euphoria, take my hand
Euphoria, take my hand
Euphoria

Euphoria, take my hand
Euphoria, take my hand
