Blood on Your Hands

Swans

There's blood on your hands, baby
Maybe, there's blood on your hand
Mama's gonna love you, baby
Mama's gonna get you backWhen all the blood's washed over you
Mama will never forget
Mama loves you too much, baby
Mama loves you too much to cryMama loves her darling boy
She'll hold you close in her armsMama's gonna wash his sweet body
Mama loves you too much to cry
Mama loves you too much, baby
Mama loves you too much to cry
