

Did You See Me Coming?

Pet Shop Boys

Did you see me coming? Was I that obvious?
For all of a sudden there were just two of us
You don't have to be in who's who to know what's what
You don't have to be a high flier to catch your slot
The night we met was ice cold and I'm wet, I needed a drink or two
I saw you standing there and I knew I'd like to be liked by you
Did you see me coming? Was I that obvious?
For all of a sudden there were just two of us
You don't have to be what's what to know who's who
You don't need the DNA to find the proof
Then and there my life made sense
You were the evidence
Did you see me coming? Was I that obvious?
For all of a sudden there were just two of us
Did you see me coming? I thought I'd have to make all of the running
I was all yours to take
Am I superstitious or really religious?
Just to thyself be true
But now I think I'm starting to believe in fate
Because it delivered you
Did you see me coming? Was I that obvious?
For all of a sudden there were just two of us
Did you see me coming? I thought I'd have to make all of the running
I was all yours to take
Did you see me coming? Was I that obvious?
For all of a sudden there were just two of us
Did you see me coming? I thought I'd have to make
