

# Hushabye

## Chris Barber And His Jazz Band

This sunny Sunday is a good day to go  
Guess you want me to stay, well, let me know  
And I hate to say it's been a waste of time  
I hate to interrupt the flow Why? Why? Why? Hushabye  
Hushabye, why aren't you ready to go?  
Why? Why? Why? Hushabye  
Couldn't we fast forward all through this show? You say you'd love to but you've lots left to do  
Almost decided to stay 'cause of you  
And I hate to tell you to exchange your dreams  
For one more ticket, no return Why? Why? Why? Hushabye  
Hushabye, why aren't you ready to go?  
Why? Why? Why? Hushabye  
Couldn't we fast forward all through this show? Why? Why?  
What you hanging up for?  
What you doing that for?  
What you breakin' up for?  
Why? Hushabye I hate to interrupt the flow  
For one way ticket, no return  
Soothing Sunday is a good day to go Why? Why? Why? Hushabye  
Hushabye, why aren't you ready to go?  
Why? Why? Why? Hushabye  
Couldn't we fast forward all through this show? Hushabye  
Why? Why? Why?  
What you breaking up for?  
Why? Hushabye
