

# Mother Earth Blues

## Heart

Well, you can have me all the time  
Or you can never come my way  
But Mother Earth is waiting for you  
There's a debt you've got to pay I don't care how rich you are  
I don't care what you earn  
You know that when it all comes down  
You've got to go back to Mother Earth You know, you may have a million dollars  
Or you may drive a Cadillac  
You may have enough money  
To buy anything, anything you lack Well, I don't care how rich you are  
I don't care what you're worth  
'Cuz you know when it all comes down  
You've got to go back  
You've got to go back to Mother Earth
