

Calling All Angels

Anastacia

Here I am again
With tears rolling down my face
And I'm searching deep within
Will there ever be a change? There's so much I have left to live
And my whole life brought me to this moment
The answer's waiting in the wind
If I can believe it... So I'm calling all angels
I've been lost so long
Shine a light for me
I'm calling all angels
Help me to be strong
Now I'm on my knees Waiting all my life
For a chance to find
The answer to set me free
It lives within me
I just need to believe
I'm calling all angels
I'm calling all angels Answered all my prayers
And still I can't see the light
I'm filled with so much fear
From shadows deep inside... And now I can't afford to wait
Another day feels like an eternity
I will never lose my faith
'Cause it's every part of me! (So I'm calling all angels) Yeah-ah!
I've been lost so long
Shine a light for me
I'm calling all angels
Help me to be strong
Now I'm on my knees Waiting all my life
For a chance to find
The answer to set me free
It lives within me
I just need to believe
I'm calling all angels
(I'm calling all angels) If you're out there, answer my prayer, woah-oh...
(I'm calling all angels)
If you're out there, answer my prayer, woah-ah! (So I'm calling all) Angels
I've been lost so long
Shine a light for me

(I'm calling all angels) Ah!
Help me to be strong
Now I'm on my kneesWaiting all my life
For a chance to find
The answer to set me free
It lives within me
I just need to believe
I'm calling all angels, woah-oh
(I'm calling all angels)If you're out there, answer my prayer, mmm...
(I'm calling all angels)
If you're out there, answer my prayer
(I'm calling all angels) Wooh-ooh-ooh-ooh-ohh...
Woah-ah...
