Mask

Niykee Heaton

Went a long way home
Pretty little thing, shouldn't walk alone
Sit in acetone
I just wanted to call and let you knowI miss you so
Shouldn't have let you go
I miss you so
I'll take off my mask if you take off yours
I miss you so, I miss you so
I'll take off my mask if you take off yours
I miss you so, I miss you so
I'll take off my mask if you take off yours
Could've loved your worse
I'm not gonna cry, but it fuckin hurts
Tell me, what's it worth?
Let's set it on fire and watch it burnI miss you so
Shouldn't have let you go
I miss you so
I'll take off my mask if you take off yours
I miss you so, I miss you so
I'll take off my mask if you take off yours
I miss you so, I miss you so
I'll take off my mask if you take off yoursBeen away too many days
All I can say is I hope you stay
Been away too many days
All I can say is I hope you stay
Been away too many days
All I can say is I hope you stay
I miss you so
Shouldn't have let you go
I miss you so
I'll take off my mask if you take off yours
I miss you so, I miss you so
I'll take off my mask if you take off yours
I miss you so, I miss you so
I'll take off my mask if you take off yours
