

# Doin' Time (eerie Splendor Remix)

## Sublime

You know what's takin' place?  
Check this out  
This is Sublime, hey  
I'm Mad Lion for the borderline, hey, hey  
This is Sublime  
I'm Mad Lion for the borderline, hey, hey  
Summertime and the livin's easy  
Bradley's on the microphone with Ras-MG  
All the people in the dance will agree  
That we're well qualified to represent the LBC  
Me and Louie we're gonna run to the party  
And dance till the rhythm it gets harder  
Ba da bye bye bye bye  
Ba da bye bye bye bye  
I must say  
Me and my girl we got this relationship  
I love her so bad but she treats me like a  
All locked down like a penitentiary  
She spreads her lovin' all over  
And when she gets home there's none left for me  
Summertime and the livin's easy  
Bradley's on the microphone with Ras-MG  
All the people in the dance will agree  
That we're well qualified to represent the LBC  
Me and Louie we're gonna run to the party  
Dance till the rhythm it gets harder  
Hey, when the music hits you shall feel no pain  
Take a spliff of sensemillia make it run through your brain  
Me and Sublime we sound one the same  
Two lions into the jungle that they just can't tame  
So bring all your people and bring it

You better take your lovin' and fling it  
You better bring your lovin' home  
Come and love your maximo  
24/7 say me can't sink alone  
[Incomprehensible]Ba da bye bye bye bye  
Ba da bye bye bye bye  
Ba da bye bye bye bye

Ba da bye bye bye  
Don't take this veil off my eyes  
My burnin' sun will some day rise  
And what am I gonna be doin' for a while  
I said I'm gonna play with myself  
Show them now we've come off the shelf  
Summertime and the livin's easy  
Bradley's on the microphone with Ras-MG  
All the people in the dance will agree  
That we're well qualified to represent the LBC  
Me, and Louie run to the party  
Dance till the rhythm it gets harder  
Evil, evil, tension, tension, hold her, water  
Evil have come to tell you that she's evil most definitely  
Evil, ornery scandalous and evil most definitely  
The tension is gettin' hotter I'd like to hold her head underwater  
Summertime and the livin's easy  
Bradley's on the microphone with Ras-MG  
All the people in the dance will agree  
That we're well qualified to represent the LBC  
Me and Louie now everybody run to the rhythm it gets harder  
This is Sublime, hey  
This is Sublime, hey I'm Mad Lion, hey
