

There Will Never Be Another You

Nat "King" Cole

This is our last dance together
Tonight soon will be long ago
And in our moment of parting
This is all I want you to know
There will be many other nights like this
And I'll be standing here with someone new
There will be other songs to sing
Another fall, another spring
But there will never be another you
There will be other lips that I may kiss
But they won't thrill me
Like yours used to do
Yes, I may dream a million dreams
But how can they come true
If there will never, ever be another you?
Yes, I may dream a million dreams
But how can they come true
If there will never, ever be
Another you?
