A Face In The Crowd

Tom Petty

Before all of this ever went down
In another place, another town
You were just a face in the crowd
You were just a face in the crowd
Out in the street walking around
A face in the crowdOut of a dream, out of the sky
Into my heart, into my lifeAnd you were just a face in the crowd
You were just a face in the crowd
Out in the street, thinking out loud
A face in the crowdOut of a dream, out of the sky
Into my heart, into my life
