Get Out of My Way

Cowboy Mouth

don't give a damn what anybody thinks of what i do
i got my share of shit - it ain't really nothing new
don't hold me back 'cause baby i can do without you tooand i feel like i'm a live wire my hands and feet are on fire
get out of my way - i want it allthis ain't the time or place to tell me what i shouldn't say
like i am going to listen to your bullshit anywayfeelin' like a man on a desperate mission
tender and regarded with tension and suspicion
so tired of work when all i really wanna do is playand i feel like i'm a live wire my hands and feet are on fire
get out of my way - i want it all
get out of my way - i want it all
ooohsometimes it feels like you just can't take it anymore
sometimes it feels like everybody's just trying to give you grief
when you find it deep inside you pull it out and you never give up
you never give up, you never give up, you never give up!don't give a damn what anybody thinks of what i've done
while you were nice and happy i was out there having funand i feel like i'm a live wire my heart and soul are on fire
get out of my way - i want it all
get out of my way - i want it all
get out of my way - get out of my way
get out of my way - get out of my way
get out of my way - i want it all
