

There's No Fun in Fundamentalism

NOFX

There's no fun in Bible study class
There's no fun getting fucked in the ass by a priest
Unless your old and into that,
It's no Fun for a kid who is scared as shit There's no fun when praying on a mat
There's no fun being covered in black clothes in the desert
Unless you're Goth and into that,
But not if you're a woman who is treated like dog shit There's no fun for fundamentalist
There's no fun for the poor capitalist
There's no fun for Regan in Exorcist
There's no fun, There's no fun There's no fun in a theocracy
There's no fun unless you have a chosen people i.d.
Still then you got that God decree
And that's no fun for anyone
